**"Thanks** for all your help over the last two weeks, very much appreciated. Great holiday once again in the Mandalin, already looking forward to next year. Cold/windy/raining here in Bonnie Dundee. Wish we were there." Graeme & Margaret.

**"Thought** I would drop you a note to say we had a great holiday in Icmeler at the end of August, both boys can't wait to go back again! We especially enjoyed the jeep safari despite getting soaked to the skin it was great fun. The Lighthouse Apartments are excellent and not surprising they are booked up year on year – I have recommended to family and friends already and their restaurant is one of the best in Icmeler and also all the staff that work flat out 7 days a week – they are a credit to Suleman and Trina. Thanks again Carol for all your help in organising the apartment for us." Deborah

**"Just** a note to say we think Icmeler is an excellent resort. The Turkish people are lovely and can't do enough for you. The Hotel Mandalin is fantastic its very clean and the family are lovely. The hotel is in a great location and we got everything we requested (2 rooms next to each other on the front of the hotel). The transfer from and to the airport was excellent very professional. We can honestly say it was the best holiday we have been on (daughter and her friend were crying as they did not want to come home). So thank you for everything, we have recommended you and the hotel to everyone we have been speaking to and we will most certainly be booking with you for next year." Regards Liz

**"Transfer** was very good from Dalaman last Thursday. Everything went right for us, flight arrived early, we were the only plane in the airport and the roads were clear and we didn't have to stop at the Jandarma. We landed at about 1930 and were in the house by 2130, so very good trip and he stopped to buy water as well". Clive
